¹Exact vaccines recommended are age and lifestyle dependent

²Pediatric package varies somewhat--includes ALL routine visits and vaccines,

automatic deworming instead of fecal exams, 2 Feline Leukemia/FIV tests, AND microchip

³Carecredit is a third party, independent finance company. We have no affiliation with CareCredit other than accepting it as a form of payment.

See separate Carecredit information for exact terms and limitations.

⁴Does not include grooming or specialist surgeon fees.

Other restrictions apply. Bundled package; we are unable to offer refunds should you elect not to take advantage of all products or services.

ALL PRODUCTS assume availability. Kyle Animal Hospital reserves the right to substitute products or combinations of products if necessary
